Alan/Andrea - Is Tom LaPorte still the contact for you folks? See below. Phillippa is in our Office of Public Affairs and she is trying to contact him on the communications strategy and desk statement on the study findings.

I formerly worked with Tom LaPorte, an Assistant Commissioner at the department, who handled their media inquiries. His phone number just rings, no vmail and no media contact is listed on the dept.'s web site. Can you check with your contacts at the dept. to find out whether Tom LaPorte is still their media contact and, if not, who is handling communications for the dept.? Thanks.
